REAL LIFE STORIES OF LIVING WITH MENTAL HEALTH  
CHALLENGES PORTRAYED THROUGH ART

## 2024 EXHIBIT PARTICIPATION DETAILS FOR ARTISTS

Thank you for your interest in participating in this inspiring county-wide event! The purpose of the exhibit is to share stories of hope and recovery to give others insight, inspiration, understanding, strength, connection, and to raise awareness. All artists are asked to create pieces consistent with this goal.

- Participation in the 2024 Journey of Hope exhibit is open to **Sacramento County residents only**.
- Lived experience with a mental health challenge is **not** required for an artist's participation.
- Due to gallery limitations participation is limited and it is not guaranteed that all applicants will be paired for the event. Everyone will be notified regarding their participation.
